Nicola Moore

TELL US ABOUT YOUR WORK.

"I am a wedding and family portrait photographer and I specialise in location/ outdoor photography."

WHAT ARE YOUR MAIN BUSINESS OR PROFESSIONAL OBJECTIVES?

My aim is to capture your special moments in style. Capturing the spark between a couple and the love within a family; capturing their lives from marriage to 80th birthday.

HOW DO YOU SEE THE FUTURE OF IPSWICH?

Ipswich is growing artistically and people appreciate art more so these days. My photos allow this artistic appreciation to be a part of their home.

WHAT ARE YOUR PASSIONS?

I live and breathe photography, I am often found out photographing the early morning fog or the late night storms. Sharing my photos with people gives me a great sense of pride.

WHERE DO YOU SEE YOURSELF IN FIVE YEARS?

Travelling the country of the world photographing people; their weddings, their newborn babies, children growing up, special events like graduations, 21st, 80th birthdays.
